2019 Allegheny Valley Conservancy River Clean-up Kibbe Island to Henry's Bend

The Allegheny Valley Conservancy (AVC) is planning its 2019 Allegheny River clean-up. AVC, and its partners, will be hosting a river clean-up on August 24th from the Kibbe Island launch, 1400 Stewart Run Road, on the Venango County Forest County line down to Henry's Bend. AVC is looking for volunteers to assist with the clean-up and local community sponsors to assist with planning and implementation. The event will start at 9:00 a.m. at the boat launch on Kibbe Island and end at Henry's Bend, at approximately 12:00 – 1:00 p.m.

Pre-registration is requested but not required and can be done by e-mailing names and contact information to avcinfo@windstream.net. The pre-registration deadline is August 22, 2019. Volunteers can also be registered the day of the event at the Kibbe Island boat launch.

Allegheny Valley Conservancy Volunteers will be waiting at Henry's Bend to collect all of the trash you've removed from the river and provide refreshments. AVC volunteers will also shuttle participants back up to Kibbe Island to pick up their vehicles.

The River is a wonderful resource for our region, so come help keep it beautiful. For more information or questions, go to www.avc-pa.org or call 1-814-676-2832. Anyone wishing to assist with sponsoring this event please contact us by August 16th at the above contact information or at frawlda@windstream.net.

Prizes will be awarded to the participants who collect the most trash, find the largest object and the most unique object. Everyone is welcome and children must be accompanied by an adult. Come prepared to get wet, get dirty and have fun! Volunteers must comply with all PA Fish & Boat laws and regulations.
